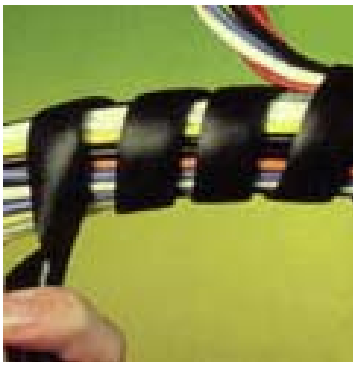
For Industry

SCT-PE

Features

- Low cost material available in a variety of colors
- Meets Mil-I-631D
- Black SCT-PE is UV resistant
- Highly abrasion resistant
- Not affected by most solvents



Spirally Cut Tubing

Applications

SCT-PE is the perfect product to bundle wire harnesses and hoses. Installed by wrapping like a tape, it permits breakouts in any orientation.

SCT-PE Polyethylene Spirally Cut Tubing
